

ENGLISH FOR DOCTORS

ADVANCED COMMUNICATION SKILLS

Revised, Re-organised, Updated

2ND
EDITION

ENGLISH LEVEL: B2 & C1
Upper-intermediate & advanced

Communicating accurately and effectively is critical to the safety, care and wellbeing of patients.

This 100-hour, online course teaches the English that enables international doctors to deliver outstanding levels of practice and care, build strong relationships with patients and colleague, and lead and participate in successful healthcare teams.

The course is designed for doctors and medical students with an upper-intermediate or advanced (B2 or C1) level of English who work or study in English.

“It could be a mandatory course before working in an English speaking country.”

Dr Simona Huica

“This is what we need in real life during work.”

Dr Rita Péntzes

“It was a brilliant course.”

Dr Mohammed Abu Allen
