

English for Doctors and Nurses

Communicating accurately and effectively is critical to the safety, care and wellbeing of patients.

These online English courses have been specially designed to improve the communication skills of non-English speaking doctors and nurses who work, or are preparing to work, in an English-speaking environment, including hospitals, private clinics and care homes.

DOCTORS

Advanced Workplace Communication

This course develops a doctor's ability to communicate successfully in all areas at work.

ENGLISH LEVEL (B2 - C1)
