Achieve B in OET Nursing with SLC

This 60-hour online course gives you the language skills and the test techniques and strategies to achieve a Grade B in each of the four papers in the international Occupational English Test (OET).

On this course, you

- ✓ study OET paper by paper, part by part, question by question, so you really understand what to do in the test
- ✓ learn how to write excellent OET referral letters
- ✓ practice test questions, so you know what to expect in the real test and can enter the exam room with confidence
- ✓ master a wide range of language functions used in test-related clinical settings
- ✓ record yourself doing OET Speaking role plays
- ✓ learn how to answer different questions on academic medical texts and talks

The course is online, so you can access it wherever you have a connection. You can study it independently as well as use it for any face-to-face training you take.
