

MEDICAL TERMINOLOGY

SPECIALIST ONLINE ENGLISH COURSE

ENGLISH LEVEL: B1-B2
Intermediate

Why do this course?

- Perfect preparation for healthcare related degrees, including medicine, nursing and pharmacy
- Learn hundreds of medical terms covering body parts, symptoms, conditions, treatments and procedures
- Learn how medical terms are formed and what key patterns are used
- Learn how medical terms are pronounced
- Learn how medical terms translate into everyday English
- Learn online when you want, where you want

Internationally accredited

Online Medical Terminology is accredited by the CPD Standards Office in the UK.

All learners who complete the course receive a formal CPD Standards certificate, accepted internationally and across multiple professional sectors.

What's in the course?

Course topics to include:

- ✓ Analysis of root words, prefixes and suffixes
- ✓ Terms for parts of the body and body systems
- ✓ Terms for conditions, treatments and procedures
- ✓ Pronunciation guide
- ✓ Translating medical terms into everyday language
- ✓ Using medical terms in practice

Course length: 2 months

At the end of the course, students receive a CPD Standards Certificate for 24 CPD points or hours.

Unique content

SLC's Medical Terminology course introduces students to medical terms covering every part of the body, from the parietal bone to the hallux.

Students get to understand the roots of medical terms and the prefixes and suffixes which combine with the roots to give specific meanings. They see the terms in context and learn how to pronounce them.

Integrated progress reporting on your institutional platform

Track your students' progress with the integrated reporting tool on your institutional platform. Perfect for checking homework and creating blended learning courses.

Teacher support

Teachers get free logins, teacher guides with answers, audio transcripts, and lesson ideas, as well as ongoing support from SLC's academic department.

About the author

Virginia Allum is SLC's Head of Medical English and an internationally renowned medical English author, speaker and trainer.

Course accreditation

This course is accredited by the CPD Standards Office in the UK, whose professional qualifications are recognised around the world.

On completion, students receive a CPD-stamped certificate for 24 CPD points or hours.
