

ENGLISH FOR DOCTORS: CLINICAL INTERACTIONS 1

SPECIALIST ONLINE ENGLISH COURSE

ENGLISH LEVEL: B2 & C1

Upper-intermediate & advanced

How do you reassure an anxious patient? Ask effective questions in a patient interview? Conduct an intimate examination? Accurately describe different types and levels of pain?

On this targeted 24-hour online course, you learn the English you need to work effectively with patients in sensitive and challenging clinical interactions.

The course includes animated videos, audio, dialogue building, hospital documents and a wide variety of input and exercise types.

At the end of the course, you will be able to

- ✓ understand clinical English better
- ✓ manage difficult conversations with patients more effectively in English
- ✓ display a stronger command of medical terminology and everyday clinical language
- ✓ work with greater confidence in English

“*It’s a helpful course and I liked it very much.*”

Raluca, Doctor, Romania

3 Clinical Interactions modules:

1. Admission and Interview
2. Discussing Specific Problems
3. Examinations, Observations and Tests

Online English for Doctors courses can be accessed on a PC, tablet or smartphone, allowing you to learn when is convenient for you.

Activities and exercises are short and engaging, so even 10 minutes can be productive.

You have 2 months to complete the units and will receive a CPD-accredited certificate on completion for 20 CPD points.

“Your wonderful audio lessons helped me a lot to sharpen my listening skills and understanding fast spoken English. They helped me to improve my English speaking and pronunciation as well. Your course is very useful in our medical practice and the communications with the patients. Thank you very much.”

Diana Kireva, Doctor, Bulgaria and Kuwait

“The course was very helpful... to improve my medical English [and] develop my communication skills. I'm sure that it will help me a lot in my medical practice and I recommend this course to everyone who is going to work in the medical system.”

Horatiu, Doctor, Romania
