

# REACH OET B MEDICINE

OET PREPARATION FROM EUROPE'S FIRST ACCREDITED  
OET PREMIUM PREPARATION PROVIDER

ENGLISH LEVEL: B2-C1  
Upper-intermediate – Advanced

## Prepare your students to pass OET

Reach OET B Medicine enables schools and teachers to provide high quality, structured OET preparation courses to students who want to achieve a grade B in the OET Medicine test.

Reach OET B Medicine goes through the test paper by paper, question by question. It teaches the language, the techniques and the strategies students need to maximise their score. It includes expert insights, multiple practice activities, explanatory videos and model answers.

### Teaching platform

The integrated teaching platform allows teachers to divide students into groups, get 'at-a-glance' views of their progress, pull detailed reports, assign and check homework.

The platform is institution-specific with logo, colours, student management and admin rights.

*“The course is highly important for effective preparation as it includes not only theoretical but also practical options. With this course it is much easier to understand the structure of the test and improve your language skills, which is important for passing the OET and further exams.”*

**Dr Hanna Romanenko**, OET Medicine candidate

*“This course provided me with all information that I had been struggling with before I took this course... it is really a rewarding and inspiring course with wide range of valuable information relevant to the OET exam.”*

**Dr Amar Elmubarak**, OET Medicine candidate
