

# REACH OET B MEDICINE

OET PREPARATION FROM EUROPE'S FIRST ACCREDITED  
OET PREMIUM PREPARATION PROVIDER

ENGLISH LEVEL: B2-C1  
Upper-intermediate – Advanced

## Prepare your students to pass OET

Reach OET B Medicine enables you to offer high quality OET preparation materials to your students who want to achieve a grade B in the OET Medicine test.

Reach OET B Medicine goes through the test paper by paper, question by question. It teaches the language, the techniques and the strategies students need to maximise their score. It includes expert insights, multiple practice activities, explanatory videos and model answers.

Your students take the course on your branded institutional platform with your logo, colours and imagery, and the integrated reporting tool means you can track your candidates' progress.

Teachers get free logins, teacher guides with answers, audio transcripts, and lesson ideas, as well as ongoing support from SLC's academic department.

*"It really helps to improve the skills in every part of OET."*

**Dr Pedro Toscano**, OET Medicine candidate

*"The course is well organized, easy to follow, and comprehensive."*

**Dr Shadi Mohammad**, OET Medicine candidate

## About Specialist Language Courses (SLC)

Based at the University of Sussex, SLC is the UK's leading provider of English language training to the global healthcare sector. SLC provides:

- OET assessment and test preparation programmes for international doctors and other healthcare professionals. SLC was the first accredited OET Premium Preparation Provider in Europe.
- IELTS assessment and preparation programmes for international doctors and nurses.
- Online Clinical English courses for medicine, nursing, pharmacy and care.
- Online English courses for Medical Terminology and Medical Academic Purposes.

We work with thousands of learners every year and specialise in working with healthcare professionals. Clients include universities, schools and healthcare employers around the world.

This course was written by Virginia Allum, SLC's Head of Medical English, an OET expert and internationally renowned medical English writer, lecturer and trainer.
