

REACH OET B MEDICINE

OET PREPARATION FROM EUROPE'S FIRST ACCREDITED
OET PREMIUM PREPARATION PROVIDER

ENGLISH LEVEL: B2-C1
Upper-intermediate – Advanced

Prepare your candidates to pass OET

Reach OET B Medicine enables employers to offer high quality OET preparation courses to candidates who want to achieve a grade B in the OET Medicine test.

Reach OET B Medicine teaches candidates the language, the techniques and the strategies they need to maximise their score. It includes expert insights, practice test questions, multiple practice activities, explanatory videos and model answers.

Your candidates take the course on your branded institutional platform with your logo and colours. The integrated reporting tool means you can track your candidates' progress.

Reach OET B Medicine is accredited and certificated by the CPD Standards Office in the UK.

Candidates can combine Reach OET B Medicine with SLC's expert one-to-one or small group tuition.

“

“The course is highly important for effective preparation as it includes not only theoretical but also practical options. With this course it is much easier to understand the structure of the test and improve your language skills, which is important for passing the OET and further exams.”

Dr Hanna Romanenko, OET Medicine candidate

“

“This course provided me with all information that I had been struggling with before I took this course... it is really a rewarding and inspiring course with wide range of valuable information relevant to the OET exam.”

Dr Amar Elmubarak, OET Medicine candidate

About Specialist Language Courses (SLC)

Based at the University of Sussex, SLC is the UK's leading provider of English language training to the global healthcare sector. SLC provides:

- OET assessment and test preparation programmes for international doctors and other healthcare professions. SLC was the first accredited OET Premium Preparation Provider in Europe.
- IELTS assessment and preparation programmes for international doctors and nurses.
- Online Clinical English courses for doctors, nurses, radiographers, and carers.
- Online English courses for Medical Terminology, Medical Academic Purposes and Pharmacy.

We work with thousands of learners every year and specialise in working with healthcare professionals. Clients include many NHS Trusts, private healthcare groups, international healthcare recruitment companies and international medical universities.

This course was written by Virginia Allum, SLC's Head of Medical English, an OET expert, test writer, course book writer and internationally renowned medical English writer, lecturer and trainer.
