Why use Reach IELTS with your students?

Fantastic content

Reach IELTS takes learners through the Academic version of the test paper by paper, question by question, giving clear step by step guidance on how to achieve a high score in IELTS.

Reach IELTS is used by IELTS preparation providers in blended courses, providing students with excellent support that can be accessed wherever a student has a connection.

The course is up to date and highly engaging, using the multi-media tools that today's learners expect.

Integrated progress reporting

Track your students' progress with the integrated reporting tool. Perfect for checking homework and creating blended learning courses.

Institutional platform

Your students take their course on your platform with your logo, colours and imagery.

Customisation options

As the course is digital, the units can be rearranged, edited, added to or removed to match your curriculum. We can add school-specific material, such as exam guides.

Teacher support

Teachers get free logins, teacher guides with answers, audio transcripts, and lesson ideas, as well as ongoing support from SLC's academic department.
