About Specialist Language Courses (SLC)

Based at the University of Sussex, SLC is the UK's leading provider of English language training to the global healthcare sector and was the first accredited OET Premium Preparation Provider in Europe.

SLC works with thousands of learners around the world every year, as well as many NHS Trusts, private healthcare groups, international healthcare recruitment companies, international medical universities and nursing colleges.

Reach OET B Nursing was written by Virginia Allum, SLC's Head of Medical English, an OET course book author, test writer, and internationally renowned Medical English writer, lecturer and trainer.
