OET PREPARE

OET PREPARATION MADE EASY

Welcome to OET Prepare

OET Prepare is a 3-level pathway, designed to take OET Nursing candidates from an A2 elementary level to a C1 OET B level. Candidates start at the level most relevant to them.

OET Prepare is for teachers who want excellent materials, clear lesson plans and a structure they can use to prepare nurses for success in OET.

Key Features

- ✓ **100 hours of expert digital study content per level**
- ✓ **40 lessons per level – in-person or online**
- ✓ **Extensive teacher materials, lesson plans and notes for every lesson**
- ✓ **Designed for groups of learners**
- ✓ **Intuitive, easy to use teaching platform**

OET PREPARE LEVEL 1

Level 1 is for students who can already understand and communicate in simple sentences in familiar situations, such as travel, work and family. This is equivalent to a good A2 level on the CEFR. On this course, students build a foundation in the English they need for OET.

- Learn nursing language skills, including communicating with patients and colleagues, medical terms, and hospital-specific language
- Build vocabulary, grammar and pronunciation
- Develop healthcare listening, reading, writing and speaking skills
- Become familiar with the OET test and how to prepare for it
- Get ready for OET Prepare Level 2

Key Features

- ✓ Perfect for teaching groups and individuals
- ✓ 100 hours digital study content divided into 20 units
- ✓ 40 lessons with lesson plans, materials and notes for teachers
- ✓ Flexibility to upload additional materials
- ✓ Up-to-date teaching platform
 - Intuitive design, easy to use
 - See student work, scores, and completion rates
 - set assignments, upload materials, leave individualised feedback

Study units

- Understanding the case notes 1
- Understanding the case notes 2
- Describing the patient journey 1 – past medical history, surgical procedures
- Describing the patient journey 2 – medical treatment, tests, complications
- Grammar focus – clauses

Video shorts

- How to express purpose
- Selecting information from the case notes
- Selecting information for another healthcare professional
- OET Writing skills – articles
- OET Writing skills – using time references

Unit 4 Listening

Study units

- Medical Listening skills 1
- Medical Listening skills 2
- Listening Part A 1
- Listening Part A 2
- Grammar focus – modals and modality 1

Video shorts

- Using the Transcript in Listening Part A
- Listening skills – how not to lose your place in Listening Part A
- Tips for spelling in OET Listening Part A

Unit 5 Speaking

Study units

- The OET Speaking assessment criteria
- Starting the test – warm up conversation
- Starting the role play
- Grammar focus – questions

Video shorts

- OET Speaking criteria – fluency
- OET Speaking criteria – intelligibility

Unit 6 Reading

Study units

- Medical academic reading skills
- Text analysis skills 1
- Text analysis skills 2
- Text analysis skills 3
- Text analysis skills 4
- Reading Part C – question types, practice
- Grammar focus – verb patterns

Video shorts

- Using the structure of a paragraph to answer reading questions fast
- Understanding the language in OET Reading C
- How to understand research reports in Reading C
- Linking and Cohesion in Reading C

Unit 7 Writing

Study units

- Writing the letter 1 – structure, organising the case notes
- Writing the letter 2 – planning and writing the letter
- Grammar focus – passives

Video shorts

- OET Writing criteria – content
- OET Writing criteria – conciseness and clarity
- OET Writing skills – present perfect v past simple
- OET Writing skills – using the passive

Unit 8 Listening

Study units

- Listening Part C – attitude and opinion
- Listening Part C – presentations, interviews
- Listening to talks 1
- Listening to talks 2
- Listening to talks 3
- Grammar focus – phrasal verbs 1

Video shorts

- Using the transcript in Listening Part C
- How not lose your place in Listening Part C

Unit 9 Speaking

Study units

- Communicating effectively – giving explanations
- Communicating effectively – giving information and advice
- Communicating effectively – describing and comparing medications
- Grammar focus – talking about the future – ‘to be..’ expressions

Video shorts

- OET Speaking criteria – resources of grammar and expression
- OET Speaking criteria – relationship building

Unit 10 Revision & mock test

Study units

- Revision of work done to date
- Mock test
- Grammar focus – reported speech 1

Unit 11 Reading

Study units

- Reading Part B – procedure texts, policy docs
- Reading Part B – hospital guidelines, manuals
- Reading Part B – emails, memos, patient leaflets, practice
- Grammar focus – superlatives and modifiers

Video shorts

- Identifying the main idea of a paragraph

Unit 12 Writing

Study units

- Discharge planning 1 – making requests, the discharge plan
- Discharge planning 2 – giving instructions, care after discharge
- Grammar focus - conjunctions

Video shorts

- OET Writing criteria – genre and style
- OET Writing criteria – organisation and layout (in B1 course, so a refresher)
- OET Writing Skills – linking phrases
- OET Writing skills – relative clauses

Unit 13 Listening

Study units

- Listening Part B – handover
- Listening Part B – safety briefing
- Grammar focus – modals and modality 2

Video shorts

- Using the transcript in Listening Part B

Unit 14 Speaking

Study units

- Role play practice 1
- Role play practice 2
- Role play practice 3
- Grammar focus - hedging

Video shorts

- How to deal with patients in OET Speaking
- OET Speaking criteria – the patient’s perspective
- OET Speaking criteria – providing structure
- OET Speaking criteria - appropriateness

Unit 15 Reading

Study units

- Reading practice test questions – Part A
- Reading practice test questions – Part B
- Reading Practice Test questions – Part C
- Grammar focus – reported speech 2

Video shorts

- Strategies to pass Reading Part A
- Strategies to pass Reading Part B
- Strategies to pass Reading Part C
- OET Reading sample test

Unit 16 Writing

Study units

- Writing practice test questions
- Analysing sample letters
- Grammar focus – passives and reporting

Video shorts

- OET Writing criteria – language
- OET Writing skills – reported speech
- OET Writing sample test

Unit 17 Listening

Study units

- Listening practice test questions – Part A
- Listening practice test questions – Part B
- Listening practice test questions – Part C
- Grammar focus – phrasal verbs 2

Video shorts

- Strategies to pass Listening Part A
- Strategies to pass Listening Part B
- Strategies to pass Listening Part C
- OET Listening sample test

Unit 18 Speaking

Study units

- Speaking role play cards and analysis
- Grammar focus – conditionals and conjunctions

Video shorts

- OET Speaking role play – sample test
- OET Speaking criteria – gathering information
- OET Speaking criteria – giving information

Unit 19 Mock test

Study units

- Mock test

Video shorts

- OET tips on test day
- OET exam last minute preparation

Unit 20 Mock test and review

Study units

- Course review
- Mock test

Additional SLC Support

- ✓ Institution-branded teaching platform for you and your students to use
- ✓ Training on how to use the teaching platform
- ✓ Initial and ongoing support on how to use OET Prepare where needed
- ✓ Optional OET masterclasses for your students
- ✓ Ongoing updating of content to reflect test updates when they happen
