Why online?

Access to specialist teachers, e.g. exam preparation, pre-entry level, Arabic speakers. Research shows teaching quality is the single most important in-school factor influencing student outcomes.

Convenience and Flexibility

- lesson schedules to fit busy lives
- resolves transport, childcare or health issues keeping learners at home
- attend from anywhere, inc on mobile phones on wifi connections

Engaging, immersive learning

- teachers use videos, quizzes, polls, real-time interactive exercises
- screenshare give access to tailored content from around the world
- lessons can be recorded for review and for those who were not able to attend

Interactive, social learning experience

- combines social learning in-class with reflective and collaborative learning between classes
- online materials, assignments, and forums facilitate ongoing, on-demand learning between classes

IELTS preparation courses for work and study

IELTS is the most recognised English exam worldwide.

Achieving a high score in IELTS can transform lives.

- IELTS is accepted by every university and college in the UK
- IELTS is used by many professional bodies to assess whether someone's English is good enough to register, inc. GMC, NMC, GDC, GPhC, HCPC, Social Work England
- IELTS is recognized by the UK govt for visa purposes

"I have got my results of IELTS today. My overall score is 6.5, it's enough for applying my documents to PGCE in a university next year! I would like to tell you great THANK YOU for your support and help with the English courses! I am very grateful to you for helping me to do my dream nearer."

"The client.. successfully passed the IELTS with an overall score of 7.. she was offered a bank Medical Laboratory Assistant position at the Royal Alexandra hospital in April 2025. Now, with her IELTS certificate, she has begun reaching out to the HCPC to formally start the process of becoming a registered lab professional in the UK. Her English has improved significantly, and she is closer to achieving full employment than ever before."

MASTERING COMMUNICATION IN SOCIAL CARE

CPD Accredited 8 HOURS ONLINE
ENGLISH LEVEL: A2-B1
Elementary & Lower Intermediate

Communicating effectively with service users in social care settings is critical to providing high quality care.

This short CPD-accredited course is for overseas carers working in residential care homes, nursing homes, supported living and domiciliary care. It provides them with the English language skills that will enable them to communicate confidently and effectively in a wide range of scenarios at work.

All language learning is set in care contexts, with 8 x 1-hour sessions:

- ✓ Introducing yourself and welcoming service users
- ✓ Talking about food and drink
- ✓ Talking about personal care
- ✓ Talking about mobility
- ✓ Talking about pain
- ✓ Talking about pressure area care
- ✓ Talking about falls
- ✓ Talking about mental health

There are two example conversations with service users or a colleague in each session. Key language is introduced, explained and practised throughout.

- ✓ Asking a variety of questions
- ✓ Gathering and giving information
- ✓ Making suggestions, requests and offers
- ✓ Giving advice, instructions and directions
- ✓ Explaining and reassuring
- ✓ Using core vocabulary

The course is media-rich throughout as learners do a wide variety of interactive exercises and reflective work. They also record themselves in simulated conversations.
