

# 850+ Hours of Medical English. One Subscription. Everything You Need.

Get unlimited access to the world's most comprehensive library of Medical English and exam preparation content — profession-specific, CPD-accredited, and built around real clinical situations.

## Everything in one place

### Clinical English

Courses for medicine, nursing, radiography, pharmacy and care, covering the real language of patient care: admissions, handovers, breaking bad news, clinical reports and more.

### Language foundations

Medical Terminology, Essential and Advanced Grammar for Healthcare, English for Medical Academic Purposes, Writing for Publication.

### Exam preparation

OET (medicine and nursing) and IELTS preparation courses, developed with OET and written by accredited trainers. Practice tests, video lessons, and proven strategies included.

**All content is written by healthcare professionals and English language experts.**

**Earn CPD certificates - recognised worldwide.**

## Built around the way you study

- ✓ Study on any device — phone, tablet, laptop — or download for offline access
- ✓ Engaging multi-media, interactive, healthcare-focused activities
- ✓ Earn a CPD-accredited certificate when you complete a course — recognised worldwide
- ✓ Real clinical dialogues, authentic scenarios, and practical focus throughout

## What students say

*"It was very useful to listen to various dialogues with native speakers — it gave me the opportunity to pick up many phrases used in real conversations."*  
**Matvey, English for Doctors**

*"The contents and the methods are perfect. I am sure it has helped me to get a better band score in my exam."*  
**Aliya, English for Medical Academic Purposes**

*"Learning this way is much more fun and efficient."*  
**Abeer, English for Nurses**
